

## Tired of feeling overwhelmed in life by trying harder and harder to please God?

It's a sentiment that many people have, feeling that they must strive and work to please God.

### Introducing.... Anglican Fellowship

At Anglican Fellowship of Cincinnati, we believe that the message of Christ really is "Good News". It is a message that God is both **holy** and **loving**. Because God is holy, He must punish sin (and none of us have measured up to God's standards). But God, we believe, is also loving and sent His Son Jesus Christ to earth to live, to die on a cross and rise again, which provided a way for people to be made right with God.

We believe that on the cross Christ accomplished several things. He satisfied the *holiness* of God by taking the punishment for our sin. And, He showed the incredible *love* of God by providing a way for people to be made right with God.

So, how can we be made right with God? The answer in Scripture is clear: we need to respond to God's graciousness with faith in Christ.

#### ***Celebrating God's Grace***

At Anglican Fellowship we *celebrate* the graciousness of God; that He sent His Son for us. And although we cannot fathom the depths of our weakness, we recognize too that we cannot fathom the greatness of God's incredible love and mercy. Our response then is to simply say "Thank you God" as we remember that salvation was not accomplished by our own merits, but by His grace. And it is this grace that we seek to rest in as we face the many blessings and challenges in life.
