

Looking for a place to renew and rekindle your relationship with God?

It's a need for many seasoned Christians, who, after many years of service find themselves tired and in need of God's refreshing touch.

Introducing.... Anglican Fellowship

At Anglican Fellowship of Cincinnati, we rely on *contemporary* worship music combined with *traditional* elements from the Church of England to express our worship to God.

When we gather, our time is spent in worship; praising God for who He is and thanking Him for the many blessings He has given. We seek to enter into His presence humbly with receptive hearts, open to how He might be directing, imparting, or leading.

Our worship relies on three "streams" or expressions of Christian worship:

the **Evangelical tradition** - that relies on Scripture to know God and His truth

the **Charismatic tradition** - that invites the Holy Spirit to renew, refresh, heal and restore as we seek to hear His voice and be transformed by His power

the **Liturgical tradition** - that uses traditional creeds and prayers that many generations of Christians have used in expressing their faith in Christ

Come join us for our monthly worship gathering or contact us to let us know how we might serve you.

Anglican Fellowship of Cincinnati explore. engage. exalt.
